Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Apparently this company carries a huge inventory of even the rarer types of manuscript paper.

Prices are great and sevice is excellent.

nice paper. The cover is very red

I am a busy composer and arranger. I have found that this product makes my life easier because it is so easy to use and looks nice when finished. I ordered a large quantity of these notebooks so I won't run out any time soon. I am VERY impressed with this product.
