Big Boy Underpants

Synopsis

Big Boy Underpants offers a light, positive approach to motivate little boys to become toilet-trained. Snappy, rhyming text and bright, quirky illustrations sound the perfect note to encourage toddlers who want to wear big boy underpants—just like Daddy! Sturdy board pages will hold up to repeated readings, as little boys get ready to say, “Bye-bye, diapers!” This is the perfect companion to Big Girl Panties.

Customer Reviews

FRAN MANUSHKIN is the award-winning author of scores of books for children, including Big Girl Panties; Latkes and Applesauce; the classic Baby, Come Out!; The Tushy Book; Happy in Our Skin; and the popular Katie Woo early chapter-book series. VALERIA PETRONE is the illustrator of many children's books, including Big Girl Panties, Two at the Zoo, and Red Truck.

This book is adorable! The story is cute. The pictures of stuff on the underwear is great. My son loves cars and trucks and trains; so it was fun to point those out to him. I like in the beginning of the book how the little boy says Bye-bye diapers! My son just turned 2, and he loves to look at this book while he sits on the potty.

Keeping my fingers crossed that having books read to my great grandson about going to the potty will motivate him to want to go. Cute illustrations.

Son love to look at the different pictures of each of the underpants.

Cute book but not really helpful for getting kids to understand potty stuff

I bought this book to encourage my grandson during potty training.

This is an adorable book, my son asks for the super hero potty book all he time.

Great book, my son loves it!

Grandson needs a little help in this area. Books worked out good for him.
