Nice designs. Keep up the beautiful work. It should be noted in the title "Art Only not for printing" in the title of the book in addition to the description. As pictures can be put in for example instead of allowing for full download.

While the designs are awesome the kindle version doesn't contain a link to a downloadable & printable version of the book. Which is pretty much a necessity for the kindle version of a coloring

book!

I really like them. They are pretty and funny. I would recommend this. Also they are easy on the printer ink

This is a BS coloring book. Would be loads better if were printed so the ink was black and the lines were sharp, not pixelated and grey. I could have printed better at home. The printing actually kind of ruins the great illustrations. Disappointing.

Could not get it downloaded, therefore could not color. The pictures look nice, but what good is a coloring book if you can't color the pictures.

Very poor print quality. The images are distorted and pixelated. I would not recommend this.

Adult sayings with childish pictures to color. Disappointed

Great f**** way to pass time
