Hide And Secret (The Mysteries Of Middlefield Series)

Synopsis

Anna Mae Shetler is a tomboy who loves nothing more than exploring the woods with her two best friends, Amos and Jeremiah. During a game of hide and seek they stumble upon a mystery that will threaten to tear apart their friendship, and as they soon discover it's a mystery that caused a rift in their families decades earlier. Anna Mae and her friends are playing in the old tree house in the woods when a floor board suddenly breaks. No one is seriously hurt, but when they take a second look, they see that a metal box of money and a diary are hidden under the floor in the crook of the tree branches. Upon further inspection, they discover that it is a lot of money. As the three set out to solve the mystery, they learn that Jeremiah and Anna Mae's grandmothers were once great friends, something they would have never guessed since the two women have only been distantly civil to each other in their lifetimes. As they search further, Jeremiah and Anna Mae realize there is a missing third party who must certainly hold the answers to this puzzle. Before they can find out, the money disappears again and threatens the trust of the three friends. Can Anna Mae solve this mystery before it tears apart more relationships? And can God heal decades-old pain and distrust?

Annie Mae Shetler and her two best friends Jeremiah and Amos Mullet accidentally stumble onto a tree house- they vow for it to be a secret just between the three of them. However a loose board in the tree house reveals a steel box with someone's diary and \$300 cash!!!! Anna Mae's grandmother has never been fond of Anna Mae hanging around all the time with Jeremiah and Amos Mullet. Jeremiah and Amos's grandmother- and Anna Mae's grandmother barely speak to each other!! Is the long lost diary and the money a look back into two best friends who parted years ago- because they each felt betrayed??? Will Annie Mae's grandmother and Jeremiah's and Amos's grandmother find a friendship rekindled??? Where will this all lead??? A very fun intriguing story even for adults!!! Kathleen Fuller's best book of the Mysteries of Middlefield!!!
