Really cool book filled with many supernatural beings to draw in your own freaky way. I really like it because I enjoy drawing and it's great to draw new things every now and then.

This book is great and all plus me and my little sister like to practice drawing monster but turn it into a little comedy but first we are trying to practicing drawing.

wonderful books, lots of drawing tips.

Just what I was looking for. But you have to have a little bit of talent to jump right into it.

A gift for our niece. She was very happy with it.

Once you read and start getting the hang of this book it's super fun. I got half of the drawings done already!

My daughter really likes it

We purchased this for our 12 year old daughter. She LOVES it and it really helped her style of drawing.
