The same cheery bear family from Warnes's picture-book version of Jesus Loves Me! makes a return engagement in this version of a joyous and child-friendly hymn. Little Bear begins his day with a bath, then sets about designing and constructing a model of the ark, just as "The Lord told Noah to build him an arky, arky." Little Bear and his parents then use a menagerie of toy and real critters, and the gentle rain of a watering can to recreate the well-known Bible story of Noah's journey. In sweet and sunny watercolor scenesâ "often with wildflowers and sunflowers nearbyâ "these happy ursine characters serve as inviting hosts to the hymn and its biblical inspiration. A musical score appears on the final spread. All ages. (Jan.) Copyright Â© Reed Business Information, a division of Reed Elsevier Inc. Tim Warnes (Papa Bear) has his home in the countryside of Dorset, England, with his wife, illustrator Jane Chapman (Mama Bear), and their son, Noah (Little Bear). When asked how he felt about illustrating this book, Tim says, "My Christian faith is central to my life, so I jumped at the

challenge to illustrate Jesus Loves Me! -- what a great way to use the gift God gave me!" Tim has drawn closely on his own experiences to give us a pictorial celebration of family life, and to share God's love for all of us. The hens you see in the pictures are from Tim's very own backyard. With over forty picture books currently in print, award-winning illustrator Tim Warnes has been published in more than twenty countries. This is his first book with Simon & Schuster.

This is a favorite in our house! The combination of the familiar song with the delightful illustrations keep us coming back to this book again and again.

This book is great. I have bought one for my son and one for a friend. It is a large book and has really excellent pictures. The pages are board-like so it holds up well. It's a great jingle based on the story of Noah's ark from the Bible and a fun song to sing for kids. I highly recommend this book.

Great book for young children!

After purchasing "Jesus Loves Me" by the same illustrator, I opted for Rise and Shine. I purchased one copy for my son and the other for my Godson's Christening. A great book with wonderful illustrations that kids will like to hear again and again and again. My son asks me to sing and we wind up singing it together at bed time.

Sweet book! I purchased it for a baby shower gift.

The books by this author are absolutely WONDERFUL! I've gotten them for my son and we get one or more for almost every new baby that we know. They are so sweet and the illustrations are just darling! They are some of our favorites! And now they are some of a lot of our friend's favorites too! I would get them a thousand times over!

Love it, the cute illustrations, so good to look at, plus the story is cute.

Great
