# The Me Only I Get To Be

## Synopsis

Having a rough start to the day, Gail the Quail searches for her identity. Finding it easy to compare herself with the other birds, she sadly discovers what she is not. Despairing, Gail confronts the Maker. The Maker responds, reassuring Gail that he has prepared an identity for her alone. He loves the "me" only she gets to be. Encouraged, Gail realizes the Maker uniquely created her with skills of her own. She has learned the secret to being the "me" is walking in her Maker-given identity, and she is happy.

Self-esteem is nothing less than the value one places on his or her self. In a world where peer pressure, bullying and gender confusion are so prevalent---today, it is more important than ever for a young person to discover at a very early age that God has made them uniquely precious and special. Kudos to LeAnn for writing such a brilliant children's book that articulates that truth so well, in a language that any child can understand! This is a book every parent needs to own and read to their child.

I love Gail the Quail! Even though this book is written for children, the message is for anyone of any age. We all need to be reminded it does no good to compare ourselves to others; that we have

been given unique gifts and talents and have all we need to be content. The illustrations are beautiful as well. Couldn't wait to pass Gail's "awakening" on to my nieces and nephew.

A lovingly done work with a message that we could all learn to live by. The story of Gail the Quail is illustrated masterfully as the reader is guided along the path that Gail follows through her insightful day.
