Signy Kráika - Part One: A Story Of Vǫlva Magic And Survival In Viking-Age Scandinavia

Synopsis

A young heroine's journey
The Norns know
The Norns know you better than you know yourself
The Norns know all
As Signy discovers when the Norns - the goddesses of fate in Norse mythology - use every choice she makes to force her to know and face her true self.
The story begins in the year 829 CE. Young Signy has lived a secluded life in a tiny hamlet on an isle in Southern Denmark and knows the outside world only from stories. Events take her far from home to the bustling market town Birka and to a new life in the household of the town vǫlva, a Norse shamanic healer and witch. Nothing will ever be the same again.
She wants to find a way home.
The Norns want her to stop hiding her own strength.
What life will the Norns spin for Signy?
Written with attention to historical detail and sweeping imagination, this atmospheric story transports the reader into the culture and beliefs of Viking-Age Scandinavia.
Signy Krǫjka is historical fiction with a twist of Norse mysticism set in Viking-Age Scandinavia and will also appeal to fantasy fans.
A gripping story of fortitude, friends and foes, vǫlva magic, survival and betrayal set in Viking Scandinavia.
Signy Krǫjka is a novel told in three parts. This book is part one and contains 30 chapters.

Customer Reviews

I was very dissapointed to find that after I was in the book several chapters, then asked to pay more money to go on to the next chapters, by the author. The book up until that point was ok, but not good enough for me to continue. It was like I had been sold a longer sample of a book, not a first book in a series.

I just read all three parts of the novel, and they were enthralling. Kerr brought me right into the story and I couldn't stop until I finished all three books. I hope there will be a part 4! I think there is more to Signy's story left to be told.

This is an excellent book! It's very well written and makes you want to know more. It's also very informative. The author paints a vivid picture!

I read this book based on a recommendation of my favorite author. I'm pleased to not have been let down. The author captured my attention from the beginning which is usually difficult for me. I can't wait to continue the story of Sight. Thank you, N. Hey. Kerr for sharing your story of Signy's adventure.

Beautifully written from beginning to the last page! Can not wait to read Part two.

Very enjoyable tale set in medieval Scandinavia. As a coming of age story it will appeal particularly to young adults. Excellent character development. I loved that when read on my Kindle, many archaic terms are found in its dictionary, at a touch of the finger.* Please note that this is only the 1st of 3 installments that make up the complete novel. You will need to invest in Parts 2 & 3 as I did to finish the story. I usually don't invest my time in this form of entertainment, but due to the historical period, decided to take a chance on it. I'm glad I did. I'd like to thank N.H. Kerr for providing me with part 1 through Instafreebie. Try it like I did and get engrossed in this fast fun read. I look forward to more by this author.

I love historical fiction, especially when the author actually does their research. This book is really well done, and pulls you into the world of the characters easily. I recommend it to anyone interested in Norse mythology and old Germanic practices, set in a realistic portrayal of the world the two would have been in.

Can't wait to read the second part. Beautiful story that transport the reader to ancient times. Well done!
